STANDARDS FOR EXCELLENCE

Outreach Clinic reaches out to low-income, limited English proficiency and ESL taxpayers in Delaware with information about matters like:

- Free tax preparation sites
- Scams to avoid
- The importance of filing/paying taxes
- What is taxable and what is not
- Consequences of over withholding
- How our tax system works
- Collection alternatives

Controversy Clinic helps Delaware taxpayers reach a workable solution with the IRS. Our taxpayers encounter issues such as:

- Identity theft results in withheld refunds
- Trust fund recovery results in audits, levies, and liens
- Inaccurate audits that must be appealed
- Earned Income Tax Credit audits and certifications
- Representation in tax court
- Negotiating and appealing installment agreements or offers in compromise
- Collections result in wage attachments or levy on SSDI or bank accounts

Pro Bono Panel of volunteer experts from legal, accounting, and credit backgrounds help us serve your needs more effectively and efficiently.

Although we receive partial funding from the IRS, we are NOT affiliated with the IRS. We do not prepare tax returns. Your rights before the IRS are unaffected whether you work with our clinic or not.
